IIM NAGPUR

FOREWORD

IIM Nagpur Announces Final Placements for its 10th MBA Batch

The IIM Nagpur is proud to share the results of the final placement process for the 10th batch of its flagship MBA programme, a significant milestone in the institute's ten-year journey.

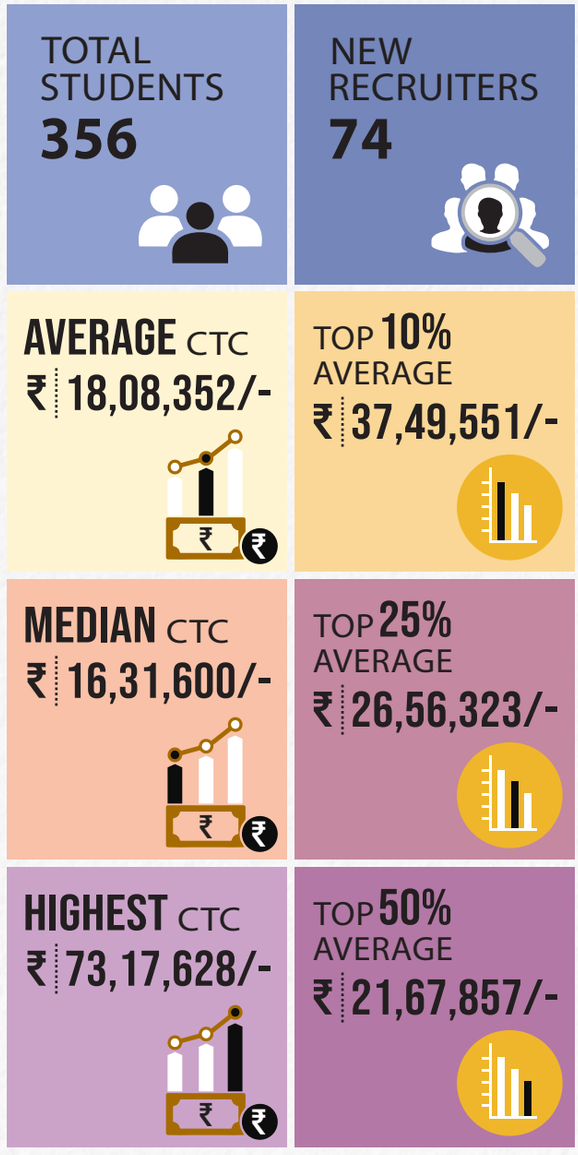

This year's graduating batch grew to **356 students**, up from **264** last year, a rise of nearly **35%** and despite this sharp expansion in cohort size, the institute held its placement outcomes steady, with the **average CTC standing at ₹18.08 LPA**. Sustaining this benchmark for a batch more than a third larger is itself a marker of the depth of recruiter demand for IIM Nagpur talent, and of the consistent quality we continue to nurture across a significantly wider base of students.

The **median CTC** settled at **₹16.32 LPA**, a natural reflection of this broader, more diverse cohort, even as compensationat the upper end of the batch saw strong gains, most notably a robust rise in the top decile. We are grateful to the wide range of **recruiters 74*** in total, spanning both longstanding partners and new collaborators who took part in this year's hybrid placement process. Their continued participation, even as recruitment trends and market conditions kept evolving, is a clear sign of the trust placed in the IIM Nagpur name.

The highest offer this year stood at **₹73.18 LPA**, marking a rise of **5.2%** over the previous year, while the **top 10%** of the batch secured an average CTC of **₹37.50 LPA**, up a striking **18.2%** a strong signal of the growing appetite among top recruiters for our highest-performing students. The **top 25%** averaged **₹26.56 LPA** and the **top 50%** averaged **₹21.68 LPA,** both improvements over last year, underscoring consistent gains across the batch and not just at its peak. Students received offers across a wide range of sectors and roles, including **General Management, Strategy and Consulting, Sales and Marketing, IT and Analytics, Finance, Product Management, and Operations.** This breadth of opportunities reflects the versatility and preparedness of our students, and the strength of the relationships we have built with industry. As we mark ten years of successful placements, we extend our sincere gratitude to all our recruiting partners for their continued confidence and support. We also congratulate our students on their hard work, discipline, and resilience throughout a demanding process.

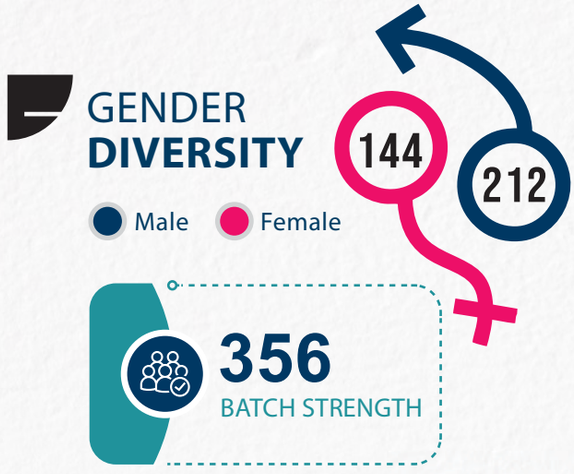

Looking ahead, IIM Nagpur remains committed to nurturing capable and responsible leaders, and to strengthening its partnerships with industry in the years to come. As we begin the next chapter of this journey, we do so with confidence in the values and standards that have defined our institute over the past decade.
